

HKS Scrap Metals B.V.

's-Gravendeel

has demonstrated a environmental management system which complies with the requirements of the standard:

NEN-EN ISO 14001:2004

The environmental management system has been evaluated according to TÜV Nederland certification procedure for the following scope:

Recovery of iron and non-iron metals and enhancement to high value commodities for (inter)national steel and non-iron producers.

This certification is subjected to an annual evaluation by TÜV Nederland.

Attached to this certificate is an appendix with a list of establishments.

Certificate registration
number: 8052/12.4
Date of issue : 13-04-2016
Valid till : 15-09-2018
Date of first certificate : 13-04-2010

Managing Director
